

2 air compressors, 1 dryer supply
blds 6,7,2,3

The floor plan shows a rectangular building layout. A green border outlines the main living area, which is a large open space. To the left of this area is a smaller utility room. Inside the utility room, there is a dashed-line rectangle representing a sink or counter area. A door is shown on the right wall of the utility room, and another door is shown on the bottom wall of the utility room. The text '2 air compressors, 1 dryer supply blds 6,7,2,3' is located in the upper part of the utility room.
